

# SUNTERA BAHAMAS Step Challenge

To celebrate International Women's Day and the theme of #choosetochallenge, the Suntera Bahamas team is challenging themselves to log at least 10,000 steps every day for the month of April.

Our aim is to raise funds for the **Dignified Girl Project** which provides feminine hygiene products and education to child and adolescent females to help them develop their self-confidence, body image and awareness of health and social concerns related to their biological development.

Entry is \$10 and all funds raised will go to charity, so we would like to encourage all of our team and the general public to take part. To get involved, visit:
